**Commissioner for Patents**

This is in response to the supplemental appeal brief filed on 01/12/09, appealing from the office action mailed 04/07/2006. The examiner's statement of the Status of Amendments After final, contained in the examiner's answer, is wrong. It should have read:

**(4) Status of Amendments After Final**

The appellant's statement of the status of amendments after final rejection contained in the brief is correct.
